

## THE DOWY EAST CRICKETERS WIN.

NEW-YORK FINALLY DEFEATED BY NINE WICKS.

A BIG CROWD WATCHES THE PLAY.

The Massachusetts cricketers, who started their game with New-York at Staten Island on Monday, finished the match yesterday with a victory by nine wickets. The game again attracted a big crowd to the island and the play seen was excellent.

At 11:15 a.m. New-York took the field and Massachusetts resumed the run getting, George Wright and F. Fairburn taking their places at the wickets against the attack of M. R. Cobb and F. E. Kelly. Wright's stay was short, and the batsman who followed the full force of his bat to every ball, and by the most patient play he advanced the score from 57 to 73, when the side was out for 22.

New-York then went in for a second time, and when the wickets began to fall in rapid order and there was a general procession to and from the pavilion, it was not a question of saving the defeat, but saving a single-innings defeat. F. E. Kelly paid off the best cricket of the innings from his cockpit or which will be added to his total of 84, leaving from C. Poole, brought the total to 84, leaving Massachusetts one good wicket to lost the necessary runs. M. R. Cobb driving a catch to the catch of the batsmen of F. J. Prendergast, two byes, two hit-by-him and New-York was defeated. The following is the score:

McKeesport, Penn., July 10.—The machinists and founders met at the National Tube Works returned to work this morning. This is the first break in the big strike, which has been on for the past two months, for an increase in wages. All the morning men reported for work, and by noon a large number had been employed. There was no disorder. It is the general belief that the strike is broken.

## REAL ESTATE.

## BUSINESS AT THE EXCHANGES.
